We have been recently carrying out an observation system for the Tweenies & Toddlers; each child has a folder with child's development information which parents will receive in the beginning of the New Year.

Also outside the classrooms there is an observation tree for parents to read which is a frame work for forward planning which takes into accounts children's developments needs and interest.

DOMICILIA tu pago

It makes me very sad knowing that hundreds of thousands of children will go without this Christmas. I would like Kiddibank & Cameron Primary to help make some children smile on Christmas morning. In conjunction with St Georges Charity we can donate gifts to children in La Linea. I would like to ask if you can please donate 10€ or more in the envelope attach to your December invoice or donation can be handed in the office as from today, this will allow us to buy gifts in bulk and make a child happy.

Many many thanks in advance for your support.
